

## OUR WARRANTY

---

Leader Offers One Year labor Warranty in New York City's Five Boroughs or 30 miles radius from Leader Company\*

### One Year Warranty

Leader warrants to the original purchaser of every new Leader refrigerated Standard Series and Premiere Series unit, the cabinet and all parts thereof, to be free from defects in material workmanship, under normal and proper use and maintenance service as specified by Leader and upon proper installation and start-up in accordance with the instruction packet supplied with each Leader Standard Series and Premiere Series unit.

Leader's obligation under this warranty is limited to a period of one (1) year from the date of original installation and /or 15 months from Leader Refrigeration Manufacturing, Inc. You must send in a copy of your receipt and fill out the warranty form and mail it in within 15 days of purchase.

### Warranty Claim

All claims for labor or parts must be made directly through Leader; proof of purchase must be faxed in or sent with claim.

All claims should include: model number and serial number of the unit, and all pertinent information supporting the existence of the alleged defect.

If compressor is replaced under warranty, Leader will request the compressor be returned. Compressor must be returned with all components and information related to the unit. All costs of shipping items to Leader and of shipping replacement items to the customer shall be the responsibility of the customer.

### Limitations and Conditions of Warranties

This warranty does not include transportation charges to and from the factory, the cost of labor for initial installation, start-up, correction of improper installation, misapplications, repairs caused by abuse and negligence, modifications, fire, flood, acts of God, normal adjustments, and Freon recovery. Does not apply to any display glass or other glass or marble breakage or refrigeration and is not responsible for the repair or replacement of failed or damaged components resulting from electrical power failure, the use of extension cords, low voltage, improper electrical connections or voltage drops to the unit.

Leader is not responsible for economic loss, profit loss or special indirect, or consequential damage, includ-

ing without limitation of refrigeration failure. Improper operation due to low voltage conditions, inadequate wiring, and accidents damage are not manufacturing defects and are strictly the responsibility of the purchaser. This warranty does not apply to remote condensers.

Condenser coils must be cleaned at regular intervals, failure to do so can cause compressor malfunction, and will void warranty. Units are designed to operate in an environment of 75F; Leader shall not be liable for any default or delay in performance caused by any contingency beyond its control.

\*Warrants only apply to U. S. Continental. And Labor Warrants only apply to New York City Five Boroughs or 30 miles radius from Leader Company.
