

cleanslate

GEL HAND SANITIZER

KILLS 99.99% OF GERMS

TECHNICAL BULLETIN

Cleanslate Hand Sanitizer is an alcohol-based gel hand sanitizer formulated to be used without water or towels. *Cleanslate Hand Sanitizer* helps control the spread of germs by killing 99.99% of common germs that cause illness. *Cleanslate Hand Sanitizer* is formulated with emollients and our signature 'cranberry ice' fragrance, leaving hands smooth and soft with a most pleasant and refreshing scent. *Cleanslate Hand Sanitizer* complies with all FDA formulation and processing guidelines and has been assigned the following NDC# by the FDA: 80585-4573-4(6).

Features

- Helps avoid spreading of germs. Contains 70% v/v ethanol which has been recognized by FDA as insuring killing 99.99% of common germs that cause illness.
- Convenience and ease of use with no rinsing or towel drying required makes it the preferred mode of insuring sanitary health in your facility. Simply dispense a dab or two on hand, rub hands together and product quickly and completely evaporates on the skin.
- Easy to use. Product quickly evaporates on the skin without leaving a sticky residue.
- Leaves a refreshing scent. Formulated with a cranberry ice fragrance which leaves the hands with a most pleasant and refreshing scent.
- Soft on hands. Formulated with emollients which leave hands smooth and soft and prevents drying of skin.
