GRATER-SHREDDER POWER ATTACHMENT

OEM QUALITY

NSF

Alfa's NSF-Approved GS-12 grater-shredder is the finest quality aftermarket version of Hobart's VS9 on the market today. Used on the power hub of mixers, choppers and power drives, these units come with a 3/16 shredder plate, safety latches and full instructions.

- Made of heavy-gauge polished aluminum
- Fits on size #12 and #22 Hobart-compatible power hubs
- Easy to disassemble and clean
- **Hardened Shafts** are machined to close tolerances for superior performance
- Shipped in a strong packing box

**WARRANTY:
6 Months**

*Note: Clean by hand, not in an automatic dishwasher.
All hardware components are stainless steel.*

NOTE: Our GS-12 & VS-12 Attachments fit Hobart CLASSIC & LEGACY Mixers, as well as Globe, Univex, Varimixer, Thunderbird and Intedge Mixers.

Unsure of your Hub size?
It's easy to tell them apart: →

Most mixers have a size 12 power hub.
The 12 hub is 9/16" square.

12

A few older 80- & 140-quart Hobart mixers have a size 22 power hub.
The 22 hub is 3/4" square.

22
