## Glass Door Coolers

# KONA

Warranty: 24 months parts and labor.  
Additional 36 months on compressor (part only)  
Specifications subject to change without notice.

# Glass Door Coolers

## SLIDING DOOR SERIES

### Durable Design

- Modern & attractive appearance for any kitchen, C-Store, service station, etc.
- Black exterior baked enamel steel finish
- White interior baked enamel steel finish
- Interior base in painted steel finish
- Heavy-duty polyethylene coated adjustable wire shelves
- Double-pane locking glass doors are ergonomically designed and self-closing with easy grab handles
- Plastic upper sign panel with light
- 2-1/2 casters

### Energy Efficient

- Entire cabinet structure engineered to the highest standards
- Built using foamed-in place high density CFC-free polyurethane
- Environment friendly R290 refrigerant
- One piece magnetic door gaskets, providing a tight and efficient seal
- ETL approved and conforms to NSF 7 standards\*

### Superior Quality

- Positive air flow throughout with forced air movement throughout entire cabinet
- Refrigerators hold 33-41°F for optimum preservation of foods and beverages
- High efficiency evaporators with oversized condensing units on all models
- Digital temperature readout display with electronic thermostatic control
- LED interior lighting for total product display
